## Inaugural Newsletter: June 30<sup>th</sup>, 2020

First off, I want to thank everyone for your support with my first published novel, *Dragon in the Mirror: Into Canonsland*. From the time I wrote the first story in 2016 until December 2019, when the book was released, it was almost four years of work to finish it before I could share it with the world. So, it was a long road, but it was a road I was more than happy to travel on.

### **DRAGON IN THE MIRROR (DIM):**

- This middle-grade fantasy novel is available for purchase on Amazon as a Kindle or as a paperback.
- Paperback copies can also be purchased at Indigo.ca. And within the Ottawa area, there are select stores that have paperback books on the shelves. You can find a paperback at:
  - 1) Coles Billings Bridge Shopping Centre
  - 2) The Book Company – Bank Street

### **NEXT STEPS FOR THE SERIES:**

- Currently, I'm building the files that would allow the eBook to be available on other platforms such as Apple, Kobo, and Barnes & Noble. Stay tuned on my website, Twitter, or Facebook pages for future updates!
- About the 2<sup>nd</sup> book in the series? I'm in the early stages of development, but I'm aiming to have the next book out in the late spring of 2021.

### **NEW PROJECT:**

- I've spent my pandemic months writing an Urban Fantasy novel that includes a new cast of characters and is for an adult audience. Right now, I'm in the editing stage. I expect to complete my revisions by late July, and then I'll hand it off to an editor. After, I'll focus my energy on the next book in the DIM series.
- Coming soon! This letter will be coming to you via Mailchimp. If you're interested in receiving the newsletter to your inbox, please subscribe to the monthly newsletter. Don't worry, I have no plans to spam your inbox with multiple letters. There will be just one, and you can expect it to materialize at the close of the month.  
**\*\*\*Note:** There will be no newsletter for July 2020. The next letter will be in August 2020.

So, there are many things in the works, with tons of hurdles to jump over. Or, charge through. ☺ Either one will work.

**What Goodreads readers are saying about *Dragon in the Mirror: Into Canonsland*:**

- Loved it! Wasn't sure what to expect, but this was a very interesting story; one that kept you wanting to read the next chapter to see what was going to happen!
- Excellent book!!!!
